

WESLEY BUS ROUTE

Wesley College, South Perth has put in place a Shuttle Bus service to pick up Wesley College students through the Mt Lawley region in the morning. This service has been extended to Perth College students who live close to this route.

Unfortunately, the afternoon service has to take a different route and **does not** suit Perth College.

The Mt Lawley Shuttle Bus will enable easier access for students to Wesley College and also assist Perth College students who live on this route to use the service.
